

FLYING DOES NOT MAKE YOU A VILLAIN. IT CAN, HOWEVER, MAKE YOU A SUPERHERO.

Here's to the modern day winged crusaders. The visionaries and problem-solvers. The savers of time. And lives. And jobs. Though they are small in number, their resolve is immense. And though detractors may try to demonize them, they are defined by action. They chart the uncharted in today's challenging economy, slip the stream of negativity and deliver to the front lines of business. At Cessna, we are proud to provide the full range of tools to help them complete their missions, from freight runs to commuter hops. We salute the deserving heroes, these champions of business. After all, they are the ones who will blaze the path to prosperity.

RISE.
